

Xavier Catholic School

Parent Code of Conduct

It is important for our school administrators and teachers to have a positive relationship with our parents. We recognize that parents are the first and foremost educators of their children. In order to foster a cooperative educational relationship, it is imperative that parents and/or guardians conform themselves to the policies set forth by the Archdiocese. Parents may refer to these policies by visiting the Archdiocese of Kansas City in Kansas' website at www.archkck.org under the heading of Handbook of Policies and Procedures.

These policies include, but are not limited to the following:

Parents shall:

- Maintain Christian decorum in all manner of communication with school personnel and members of the school community.
- Practicing Catholic families are expected to attend and support the Catholic Church of their choice; non-Catholic families are expected to respect the values and teachings that are taught within our school system.
- Support the efforts of the schools in the education of their child(ren).
- Share talent, time, and treasure with their schools and/or parishes.
- Encourage and help our students to learn and schedule adequate time for completion of school work at home.
- Promote regular school attendance and punctuality.
- Follow the appropriate chain of communication in communicating problems with the school (first contact the school staff member or teacher most directly responsible for the issue.) If the issue is not resolved, then contact, in the following order; the Principal, the Chairman of the Board of Trustees, and then the Archdiocese.

As a parent/guardian I understand The Code of Conduct applies to all school sponsored programs, events, and organizations throughout the school year. I acknowledge that the school reserves the right to ask parents to withdraw their children in such cases where parents fail to abide by these policies.

Please sign and return to the school's main office.
